Volunteer Spotlight

Meet Gayle Heese

Gayle Heese has become a familiar face around Hermitage Richmond. Not only is she a volunteer, but she is also the daughter of resident, Minerva Turpin. She is an active Guild member and represents Providence United Methodist Church. Every week she comes to Hermitage Richmond to read individually to a resident. She said, "I love hearing about her childhood, and I feel blessed after spending time with her." Gayle also volunteers in Hidden Treasures and on sale days works in the Furniture room.

She grew up in Glen Allen, VA. and is a graduate of Longwood college. She taught 3rd grade students and retired from Tuckahoe Elementary school after working as an Exceptional Education assistant for 16 years. Gayle is married to Bill and they reside in New Kent County. She has 2 grown sons, and 2 lovely daughters-in-laws.

When Gayle isn’t here, she enjoys reading, baking sweets, volunteering in her grandson’s classroom, teaching Sunday school, and playing with her 3 grandsons. She loves the movie, “The Wizard of Oz”, and her favorite book is “To Kill a Mockingbird.”

We are so grateful to Gayle for the energy and time she puts into caring for our residents!

We are looking for a few more volunteers to work in the gift shop. Please let Meredith Eckel in Resident Services know if you’re interested. 474-1888.

Creative Workshop News!

In honor of Black History Month, this February we will focus on four artists who have revolutionized the art world. These artists have made a profound impact on society using their unique creative approach, and yet they all share common threads, such as subject matter, use of pattern, and inspiration from nature.

We will begin by creating artwork inspired by the work of Nigerian British artist Yinka Shonibare (Fig. 1) and his use of traditional African fabrics. Faith Ringgold (Fig. 2) will be our next featured artist, who also uses fabrics to create painted quilts that tell narratives. Our third artist, Kehinde Wiley (Fig. 3), is known for his reinterpretation of famous portraits using solely African-American subjects. His monument “Rumors of War” was recently commissioned by our very own Virginia Museum of Fine Arts, and permanently installed just out front of the museum. Lastly, we will close with Romare Bearden (Fig. 4), famous for his lively mixed media collages depicting African-American life and culture. This month will be a fun exploration of very influential art! See schedule below for Creative Workshop hours.

Tuesday: 1:30 PM
Wednesday: 2:00 PM
